Dear Marv,

As I told Joe Fromm, our representatives enjoyed the session with your editors and were sufficiently interested in the benefits of "long-range musing" to want to carry on the process internally. Thus, the request for a copy of your transcript.

You most generously fulfilled that request by sending copies of your tapes. They are already being used by some of the CIA team, and we all thank you for that courtesy. Naturally, they are for our ears only.

Sincerely,
